Want experience in presenting to
professional audiences?

Want to expand your network of contacts?

Want a chance to have your voice heard?

Want to win \$500?

2003 AAEE Undergraduate
Poster Competition

**"Effective Learning
Experiences"**

You are invited to join in the AaeE Engineering Education conference. This poster presentation competition is your chance to have a say about what you value most as an engineering student. As an entrant you will have the opportunity to mix with a broad variety of engineering students and educators from across Australia and overseas. This is an excellent opportunity for you to practice your presentation skills and to win the prize for best poster presentation.

What do I need to do?

You and up to three friends will create a poster addressing the theme “Effective Learning Experiences”. Draw upon your experience from your own Engineering studies, or elsewhere. The poster can be up to A0 in size. Fill in the registration form and get working today! Entry is free!

What can I win?

The winning entrant/s will receive a framed certificate and a \$500 cash prize, which will be presented at lunch at the conference.

**ASME International
Australian Section**

Guidelines for the poster presentation.

- The competition is open to students who are enrolled full-time or part-time in an engineering undergraduate degree in Australia or New Zealand.
- A poster can be presented by more than one student
- The poster will outline and reflect upon an engineering education experience that has been beneficial to you
- The poster should be no larger than A0 size

Some ideas for poster topics:

- Development of generic/transferable skills
- Learning about sustainable engineering practice
- Learning how to learn
- Self-managed or student-based learning
- Developing reflexivity
- Project-based learning
- Learning in teams

How do I enter?

Entering is simple – just send the following information to postercomp@aace.com.au:

- Entrants’ names
- The degree you are studying
- The university you are studying at
- The proposed title for your entry
